

SUPER NEIGHBORHOOD 64 & 88

GREATER EASTWOOD, LAWDALE, & WAYSIDE

Meeting Date: February 17, 2025

Purpose of Meeting: Joint Super Neighborhood Townhall with District I

Super Neighborhood Introduction and Purpose

- Lindsay Williams introduces the purpose of the meeting, emphasizing the importance of district lines and council members.
- Introduction of key personnel from various departments, including public works, real estate, and transportation operations.
- Mention of past conversations and the importance of maintaining a route into downtown.
- Discussion about the JRC (Joint Referral Committee) and its role in the process to abandon Polk St.

JRC Process and City Code

- Addie Jackson, Assistant Director of Real Estate Services, explains the JRC process and its importance in asset management.
- Details about the Texas Local Government Code and city code ordinances involved in the process.
- Explanation of the JRC committee composition and their roles in reviewing applications.
- Description of the sign posting process and the importance of public feedback.

Feedback and Public Engagement

- Emphasis on the importance of public feedback and the current phase of the process.
- Mention of the need for a survey and appraisal of the city property being abandoned.
- Discussion about the need for approval from private entities like AT&T and CenterPoint.
- Explanation of the final steps, including council approval and the transfer of property ownership.

Community Concerns and Traffic Impact

- Discussion about the impact of the JRC process on the community, including concerns about traffic and pedestrian access.
- Mention of the importance of maintaining east-west connections into downtown.
- Emphasis on the need for honest and transparent communication with the community.
- Discussion about the potential impact of the 2026 World Cup on traffic and the importance of planning for it.

Public Comment and Advocacy

- Encouragement for the community to provide feedback and participate in the process.

SUPER NEIGHBORHOOD 64 & 88

GREATER EASTWOOD, LAWNSDALE, & WAYSIDE

- Discussion about the importance of advocacy and the role of super neighborhoods and civic associations.
- Emphasis on the need for continued public engagement and the importance of community involvement.
- Mention of the importance of data and information in supporting advocacy efforts.

Traffic Study and Infrastructure

- Discussion about the need for a traffic study and the impact on parking in the area.
- Emphasis on the importance of understanding the current and projected traffic flows.
- Mention of the need for better infrastructure to support increased traffic.
- Discussion about the potential impact of the I-25 project and the importance of planning for it.

Public Works and Infrastructure

- Discussion about the role of Public Works in managing infrastructure and traffic.
- Emphasis on the importance of maintaining access to downtown and the need for better infrastructure.
- Mention of the importance of public engagement and the role of super neighborhoods in advocacy.
- Discussion about the need for better coordination and planning between different agencies.

Community Concerns and Solutions

- Discussion about the community's concerns and the need for solutions to traffic and access issues.
- Emphasis on the importance of maintaining pedestrian and cyclist access to downtown.
- Mention of the need for better infrastructure and planning to support increased traffic.
- Discussion about the importance of public engagement and the role of super neighborhoods in advocacy.

Final Comments and Next Steps

- Emphasis on the importance of continued public engagement and the role of super neighborhoods in advocacy.
- Discussion about the need for better infrastructure and planning to support increased traffic.
- Mention of the importance of public engagement and the role of super neighborhoods in advocacy.
- Encouragement for the community to provide feedback and participate in the process.
